

Suspicious Financial Transaction Report

Prepared by: Llyjah Thompson (Banker)

Reviewed by:

Date: 11/11/25

1. Customer Overview

- **Customer A (Acct #12345):**
 - Multiple transfers of \$9,900 within a 24-hour period.
 - Pattern suggests possible structuring to avoid reporting thresholds.
- **Customer B (Acct #67890):**
 - Wire transfer to a high-risk jurisdiction (Country flagged by FATF).
 - Amount: \$75,000, no clear business justification.
- **Customer C (Acct #24680):**
 - Sudden withdrawal of \$50,000 in cash after months of low activity.
 - Transaction inconsistent with historical behavior.

2. Summary of Concerns

Transactions appear designed to avoid detection.

Possible links to money laundering or fraud.

Recommend enhanced due diligence and immediate supervisor review.
